Vireo Gen3 'BH' High Wall Phase-In

Document #: PB-DLS-05152023

Date Issued: 05/15/2023

Author: Justin Sylsberry

Beginning June 16, 2023, Gree will phase in new 'BH' model high walls for the Vireo Gen3 series. The 'AH' models will no longer be available directly from Gree after June 16, 2023, but will be available for purchase until current inventory is sold through. The 'AH' models will continue to be an AHRI rated match with the Vireo Gen3 'BO' outdoor models and multi-zone 'CO', 'DO', and 'EO' outdoor models.

Unit compatibility will remain the same as the 'AH' models, but the casing will differ. The new 'BH' models will have a new smooth, glossy casing to improve the style of the units, and make the units easier to clean versus the rough, matte finish of the 'AH' models.

Phase Out	Phase In
3VIR09HP230V1AH	3VIR09HP230V1BH
3VIR12HP230V1AH	3VIR12HP230V1BH
3VIR18HP230V1AH	3VIR18HP230V1BH
3VIR24HP230V1AH	3VIR24HP230V1BH
